HEAD COACH NIECEE NELSON

Niecee Nelson was appointed as Fort Wayne's women's basketball head coach on April 18, 2016. An assistant coach at the University of San Diego for 11 seasons, she is the 14th head coach in the 40-year history of the program. Nelson is no stranger to Fort Wayne, however, having served as an assistant coach for the Mastodons for one season during 2004-05, after getting her start in coaching as a graduate assistant at the University of Wyoming for two seasons (2002-04).

Nelson helped lead San Diego to an overall record of 222-124 since 2005, including five consecutive 20-win seasons and postseason WNIT appearances. The Toreros, under the direction of head coach Cindy Fisher, made one NCAA Tournament appearance since '05, winning the WCC Tournament in 2008, and have made six overall appearances in the WNIT, first advancing to the event in 2007. USD was 25-8 in 2015-16, tying for the second-most wins in program history while advancing to the third round of the WNIT.

Nelson's on court responsibilities at USD included point guard and shooting guard development, while serving as the program's offensive coordinator. She has helped develop 13 All-WCC First Team guards, including Dominique Conners, a three-time honoree and USD's all-time leader in points and steals. Nelson also helped develop Amanda Rego, the program's only WCC Player of the Year (2006-07), who was the national assist leader that season, and is the school's career leader in assists.

Nelson's off court responsibilities at USD included serving as the program's academic coordinator, budget management and ordering of team equipment, including uniforms and apparel, as well as managing team travel. Additionally, she shared in the duties of recruiting as well as the opponent scouting and game strategy. Nelson has also assisted in creating practice plans and individual workouts.

Nelson was an assistant at Fort Wayne during 2004-05, with primary responsibilities in team travel, post player development, marketing and academic support. Within two months of arriving at Fort Wayne, she was promoted to recruiting coordinator, leading the charge in overseas recruiting into Brazil and Europe.

Prior to Fort Wayne, Nelson served as a graduate assistant at Wyoming with Coach Fisher. She worked closely with the staff and team on practice and game day coaching, individual workouts, academic support, film exchange, and guard and post development.

Nelson earned 2001 NAIA All-America honors at Concordia University in Portland, Oregon. A two-time team captain, she was named to the 2001 Lutheran Brotherhood All-America Team. Nelson was a two-time All-Cascade Conference First Team selection (2001, 2002), and the 1998 Cascade Conference Freshman of the Year.

Nelson graduated from Concordia in 2002 with a Bachelor of Arts degree in Education with an emphasis in Elementary Education, adding minors in Business Marketing and Psychology. She earned a Master of Science degree in Kinesiology and Health with an emphasis in Health Promotion from Wyoming in 2004.

Niecee and her husband, Steve, have two children: son Sebastian and daughter Skyler.

WHY MASTODONS?...

It all started about 10,000 years ago...

That's when mastodons roamed the southern Great Lakes region of North America. These stocky versions of modern elephants reached heights of about ten feet at the shoulder, with tusks that curved upward that were six feet or more in length. Mastodons were browsers who fed mostly on leaves and twigs from small trees and shrubs.

One such mastodon found its final resting place about two miles south of Angola, Indiana, on land that would eventually become part of Orsie Routsong's farm. In the fall of 1968, Routsong decided to expand a small pond on his property. An excavator was hired and instructed to pile the excavated material around the edge of the pond. Several days after the excavation was finished a heavy rain storm pounded the piles of dirt.

The next day, a young neighbor boy of Routsong's discovered a large bone in one of the dirt piles. Routsong knew it was something out of the ordinary, so he called Jack Sunderman, chair of the IPFW Geology Department, to identify the bone, and to ask for advice on what to do with it. Sunderman says his first question was, "How big is the bone," with Routsong's answer being "pretty big, maybe 3 or 4 feet long."

When Sunderman got to the farm, he identified the bone as a leg bone of a mastodon. He told Routsong a skeleton like this would have scientific and instructional value if a large portion of it could be located. Routsong agreed, and also agreed to have the IPFW Geology Department do the excavation. Sunderman got two more faculty members, Geoffrey Matthews and Bernd Erdtmann, and several geology students to help in the project.

After all the mastodon bones were collected, cleaned, and preserved, Routsong agreed to have the adult mastodon skeleton placed on permanent display at IPFW; the skull of a nearby baby mastodon is now on loan to Science Central.

In the spring of 1970, The Communicator (IPFW's student newspaper) began a drive to come up with a mascot for IPFW. Some of the suggested choices included the Boiler-Hoosiers, Warhawks, Marauders, Frontiersmen, Pioneers, Elfs, and Hobbits. Those names and others came from student suggestions. Steve Pettyjohn, who served as the student body president in 1968-69, wrote a letter to the editor about the school mascot. In his letter, Pettyjohn extolled the virtues of choosing the mastodon as IPFW's mascot: "It sounds different, strange - that's exactly why. It's different and yes, even strange. For God's Sakes, let's have the courage to be a little different."

In the meantime, former Indiana Congressman Mark Souder, who served as student body president in 1969-70, recalls being lobbied by the Geology Club to choose the mastodon.

According to Nusbaumer, "Souder appointed a committee in student government to select a name although he was lobbying hard for the mastodon." After some discussion on the subject, Souder says a vote was taken by the committee and the mastodon came out the winner. Souder finished his recollection with these thoughts. "History shows that the advocacy of the geology club was correct. The fast, decisive action of the elected student government—though it did not please everyone and was not a precedent that the University desired to see—has also been upheld by history as IPFW regularly scores high in any list of unique university nicknames; even in this era when everybody strives to be different. We did it decades ago."

WHAT IS A MASTODON?...

(ACCORDING TO WIKIPEDIA)

Mastodons are any species of extinct proboscideans (mammals with tusks and long, muscular trunks) in the genus *Mammut*, distantly related to elephants, that inhabited North and Central America during the late Miocene or late Pliocene up to their extinction at the end of the Pleistocene 10,000 to 11,000 years ago. Mastodons lived in herds and were predominantly forest dwelling animals that fed on a mixed diet of browsing and grazing with a seasonal preference for browsing, in contrast to living elephants that are mostly grazing animals.

Modern reconstructions based on partial and skeletal remains reveal that mastodons were very similar in appearance to elephants and, to a lesser degree, mammoths, though not closely related to either one. Compared to mammoths, mastodons had shorter legs, a longer body and were more heavily muscled, a build similar to that of the current Asian elephants. The average body size of the species was around 2.3 m (7 ft 7 in) in height at the shoulders, corresponding to a large female or a small male, but large males could grow up to 2.8 m (9 ft 2 in) in height and weigh as much as 4.5 tonnes (5 short tons).

BUSY MASTODONS...

The Mastodons wrapped up a busy opening weekend as the team played three games in four days to begin the season. Fort Wayne was the only team in Division I to have played three games through the first four days of the season (Nov. 11-14).

MAKING THE ROUNDS...

Of the current 32 Division I basketball conferences, Fort Wayne has taken on at least one school, currently or when they played, in all but four of those leagues. The four remaining conferences the Mastodons have yet to play are: Colonial Athletic Association, Ivy League, Southwestern Athletic Conference, and West Coast Conference. Three other leagues (Big Sky Conference, Pacific 12 Conference, and Southland Conference) Fort Wayne played a current member while they were a part of another conference.

SEASON OPENERS...

The Fort Wayne women's basketball team has an all-time record of 16-25 in its season openers, after falling to Belmont on Nov. 11.

SUMMIT LEAGUE PRESEASON POLL...

Fort Wayne was picked to finish ninth in the Summit League preseason poll of the league's head coaches. The Mastodons received 80 points as coaches were not allowed to vote for their own teams.

South Dakota State was tabbed as the preseason favorite to win the 2016-17 Summit League Championship, receiving 30 first-place votes to finish atop the poll with 542 points.
