HEAD COACH STEVE FLORIO

Head Coach Steve Florio enters his third season at the helm of the Fort Wayne women's volleyball program. Florio stepping into the role after former head coach Kelley Hartley Hutton was named the Fort Wayne Director of Athletics in February of 2014.

Florio enters his 14th season at Fort Wayne, most recently as associate head coach. He has helped guide the program to a combined record of 251-135 during his time with the Mastodons, including NCAA Tournament berths in 2009 and 2012.

As the lead recruiter for the program, his recruits have earned a pair of All-Region Honorable Mention honors. Additionally his recruits have racked up numerous Summit League awards, including a Summit League Player of the Year, two Summit League Setters of the Year, one Summit League Defensive Player of the Year, one Summit League Newcomer of the Year, 18 All-League honorees, and five players on the All-Freshman Team.

He has helped guide Fort Wayne to a Summit League Tournament berth every season since the Mastodons joined the league - the only team in the league to accomplish the feat during that span.

A native of Long Island, N.Y., Florio has had multiple items published in the AVCA Magazine "Coaching Volleyball" and his work can also be found on the "Team Talk: Talking Your Way to Volleyball Success" DVD.

Since the summer of 1993, Florio has lent his experience to camps and clinics at Illinois, Ball State, Bowling Green, Syracuse, Hofstra, Fort Wayne, the Premier Elite Camp, World Volleyball Training Center, and the Great Lakes High Performance Camp.

Prior to coming to Fort Wayne, he served four years as assistant coach at Hofstra University. While there, he assisted in leading the Pride to two conference championships, and back-to-back NCAA appearances in 1999 and 2000.

He played two years of volleyball at Nassau (N.Y.) Community College in 1994 and 1995 before transferring to NCAA Division I Saint Francis (Pa.) and playing two years for the Red Flash. At Nassau, he helped the Lions to a regional championship in 1994 and a runner-up spot in 1995. At Saint Francis, Florio served as a defensive specialist for the Red Flash.

SHE'S DIGGIN' IT...

Fort Wayne women's volleyball libero Olivia Hahn was named the Summit League Defensive Player of the Week for her performance during the season-opening weekend, Aug. 26-28. The honors mark the first weekly awards of the season.

It is Hahn's fourth career Defensive Player of the Week award. Over 12 sets, Hahn averaged a league-high 5.83 dig per set in three matches. Her average was a full 1.03 digs per set better than anyone else in the league. In three matches during the Fort Wayne Invitational, Hahn recorded 70 total digs.

In the first match of the season, Hahn logged 24 digs in four sets against Murray State. She followed that up with 19 digs in a three-set win over Youngstown State before closing out the weekend with 27 digs in a five-set win over Ball State. Hahn was also named to the All-Tournament Team of the Fort Wayne Invitational.

SUMMIT LEAGUE PRESEASON POLL...

Fort Wayne was picked to finish seventh in the Summit League preseason poll of the league's head coaches. The Mastodons received 24 points, three back of Omaha, as coaches were not allowed to vote for their own teams.

Defending Summit League champion Denver was selected as the favorite to win the 2016 volleyball crown. The Pioneers collected eight first-place votes and 64 total points in the poll.

PLAYERS TO WATCH...

Two Fort Wayne players were selected by the Summit League coaches as 'Players to Watch' for the 2016 season. Senior outside hitter Somer Johnson and sophomore outside hitter Nicole Rightnowar were chosen for the Mastodons.

Johnson is a 2014 and 2015 Summit League Honorable Mention selection. She was named the Summit League Offensive Player of the Week on Oct. 12 last season. Johnson finished the 2015 season third in league in kills, kills per set, points and points per set.

Rightnowar was the 2015 Summit League Freshman of the Year and named to the Summit League All-Freshman Team. She was second on the team with 337 kills.

SEASON OPENERS...

Fort Wayne is 23-18 all-time in season-openers after falling to Murray State on Aug. 26, snapping a five-match winning streak. During that run, the 'Dons defeated Loyola Chicago (2011), Murray State (2012), Duquesne (2013), Saint Francis (Pa) (2014), and Central Michigan (2015).

The Mastodons opened their season in the Gates Center for the fourth time in the last five seasons. In its history, Fort Wayne is now 10-7 when starting the season at home and 27-14 all-time in home openers.

DOUBLE-DOUBLES

SOMER JOHNSON (Season: 3; Career: 19)

vs. Ball State (14 kills, 11 digs)

vs. Murray State (12 kills, 14 digs)

at Western Michigan (13 kills, 21 digs)

MADISON JAQUA (Season: 2; Career: 12)

WHY MASTODONS?...

It all started about 10,000 years ago...

That's when mastodons roamed the southern Great Lakes region of North America. These stocky versions of modern elephants reached heights of about ten feet at the shoulder, with tusks that curved upward that were six feet or more in length. Mastodons were browsers who fed mostly on leaves and twigs from small trees and shrubs.

One such mastodon found its final resting place about two miles south of Angola, Indiana, on land that would eventually become part of Orsie Routsong's farm. In the fall of 1968, Routsong decided to expand a small pond on his property. An excavator was hired and instructed to pile the excavated material around the edge of the pond. Several days after the excavation was finished a heavy rain storm pounded the piles of dirt.

The next day, a young neighbor boy of Routsong's discovered a large bone in one of the dirt piles. Routsong knew it was something out of the ordinary, so he called Jack Sunderman, chair of the IPFW Geology Department, to identify the bone, and to ask for advice on what to do with it. Sunderman says his first question was, "How big is the bone," with Routsong's answer being "pretty big, maybe 3 or 4 feet long."

When Sunderman got to the farm, he identified the bone as a leg bone of a mastodon. He told Routsong a skeleton like this would have scientific and instructional value if a large portion of it could be located. Routsong agreed, and also agreed to have the IPFW Geology Department do the excavation. Sunderman got two more faculty members, Geoffrey Matthews and Bernd Erdtmann, and several geology students to help in the project.

After all the mastodon bones were collected, cleaned, and preserved, Routsong agreed to have the adult mastodon skeleton placed on permanent display at IPFW; the skull of a nearby baby mastodon is now on loan to Science Central.

In the spring of 1970, The Communicator (IPFW's student newspaper) began a drive to come up with a mascot for IPFW. Some of the suggested choices included the Boiler-Hoosiers, Warhawks, Marauders, Frontiersmen, Pioneers, Elfs, and Hobbits. Those names and others came from student suggestions. Steve Pettyjohn, who served as the student body president in 1968-69, wrote a letter to the editor about the school mascot. In his letter, Pettyjohn extolled the virtues of choosing the mastodon as IPFW's mascot: "It sounds different, strange - that's exactly why. It's different and yes, even strange. For God's Sakes, let's have the courage to be a little different."

In the meantime, former Indiana Congressman Mark Souder, who served as student body president in 1969-70, recalls being lobbied by the Geology Club to choose the mastodon.

According to Nusbaumer, "Souder appointed a committee in student government to select a name although he was lobbying hard for the mastodon." After some discussion on the subject, Souder says a vote was taken by the committee and the mastodon came out the winner. Souder finished his recollection with these thoughts. "History shows that the advocacy of the geology club was correct. The fast, decisive action of the elected student government—though it did not please everyone and was not a precedent that the University desired to see—has also been upheld by history as IPFW regularly scores high in any list of unique university nicknames; even in this era when everybody strives to be different. We did it decades ago."

WHAT IS A MASTODON?...[ACCORDING TO WIKIPEDIA]

Mastodons are any species of extinct proboscideans (mammals with tusks and long, muscular trunks) in the genus Mammot, distantly related to elephants, that inhabited North and Central America during the late Miocene or late Pliocene up to their extinction at the end of the Pleistocene 10,000 to 11,000 years ago. Mastodons lived in herds and were predominantly forest dwelling animals that fed on a mixed diet of browsing and grazing with a seasonal preference for browsing, in contrast to living elephants that are mostly grazing animals.

Modern reconstructions based on partial and skeletal remains reveal that mastodons were very similar in appearance to elephants and, to a lesser degree, mammoths, though not closely related to either one. Compared to mammoths, mastodons had shorter legs, a longer body and were more heavily muscled, a build similar to that of the current Asian elephants. The average body size of the species was around 2.3 m (7 ft 7 in) in height at the shoulders, corresponding to a large female or a small male, but large males could grow up to 2.8 m (9 ft 2 in) in height and weigh as much as 4.5 tonnes (5 short tons).
