QUICK HITTERS

- Fort Wayne leads the all-time series 21-6
- Fort Wayne is the only team in the league with five players in the top-15 in points, no other team has more than two (Crowe, Rightnowar, Boerst, Seiler and Fuerst)
- Boerst is tied for third in the league in total blocks and Seiler is sixth. Boerst also ranks fifth in the league in hitting percentage
- Rightnowar ranks second in the league in total kills and points, fourth in points per set and fourth in kills per set.
- Britner and Rightnowar rank third and sixth in the league in total digs, no other team has more than one in the top-9
- Fort Wayne is the only team in the league with three players in the top-12 in total blocks (Boerst, Seiler and Fuerst)
- The 'Dons are the only team in the league with four players in the top-10 in total kills, no other team has more than two (Rightnowar, Crowe, Boerst and Fuerst). Seiler ranks 17th, giving the 'Dons five players in the top-20.
- As a team, they lead the league in kills, assists, points, digs, and second in blocks.

HEAD COACH STEVE FLORIO

Head Coach Steve Florio enters his fourth season at the helm of the Fort Wayne women's volleyball program. Florio stepping into the role after former head coach Kelley Hartley Hutton was named the Fort Wayne Director of Athletics in February of 2014.

Florio enters his 15th season overall at Fort Wayne, previously serving as associate head coach under Hartley Hutton. He has helped guide the program to a combined record of 271-178 during his time with the Mastodons, including NCAA Tournament berths in 2009 and 2012.

As the lead recruiter for the program, his recruits have earned an AVCA All-Region First Team selection and All-American Honorable Mention and a pair of All-Region Honorable Mention honors. Additionally his recruits have racked up numerous Summit League awards, including two Summit League Players of the Year, two Summit League Setters of the Year, one Summit League Defensive Player of the Year, two Summit League Newcomers of the Year, 20 All-League honorees, and seven players on the All-Freshman Team.

A native of Long Island, N.Y., Florio has had multiple items published in the AVCA Magazine "Coaching Volleyball" and his work can also be found on the "Team Talk: Talking Your Way to Volleyball Success" DVD.

Since the summer of 1993, Florio has lent his experience to camps and clinics at Illinois, Ball State, Bowling Green, Syracuse, Hofstra, Fort Wayne, the Premier Elite Camp, World Volleyball Training Center, and the Great Lakes High Performance Camp.

Prior to coming to Fort Wayne, he served four years as assistant coach at Hofstra University. While there, he assisted in leading the Pride to two conference championships, and back-to-back NCAA appearances in 1999 and 2000.

He played two years of volleyball at Nassau (N.Y.) Community College in 1994 and 1995 before transferring to NCAA Division I Saint Francis (Pa.) and playing two years for the Red Flash. At Nassau, he helped the Lions to a regional championship in 1994 and a runner-up spot in 1995. At Saint Francis, Florio served as a defensive specialist for the Red Flash.

18TH PLAYER TO 1,000 KILLS...

Fort Wayne junior outside hitter Nicole Rightnowar became the 18th player in program history to reach 1,000 career kills when she did so during the first set against Western Illinois on Oct. 8. Former teammate Somer Johnson was the last Mastodon to reach the plateau, doing so last season. Rightnowar became the 9th player to reach the mark while coach Steve Florio has been at Fort Wayne. Below is a list of those players.

Year	Player
2016	Somer Johnson
2013	Emily Spencer
2010	Maya Schlindwein
2008	Rebekah Roehm
2008	Jessica Miller
2007	Cynara Martins
2004	Janelle Pollard
2003	Fabiana Souza

SHE DID WHAT?...

In the Mastodon's match against Toledo, Fort Wayne libero Julia Wayer finished with two kills in the match, including the match-winner. Kill's by libero's aren't that uncommon, but having two in a match, that's a little more rare. In fact, the last time a Mastodon libero had two kills in a match was by Tessa McGill at Central Michigan on Sept. 15, 2012.

NOT 1...2...OR 3...NO NOT 4...YES 5...

The Fort Wayne women's volleyball team accomplished something that hadn't been done in nearly two decades on Aug. 25 in its season opener against Quinnipiac. Five different players recorded a double-double in the five-set win over the Bobcats. The five players were: Katie Crowe (19 kills, 13 digs), Nicole Rightnowar (17 kills, 15 digs), Liz Fuerst (13 kills, 12 digs), Sydney Boerst (12 kills, 11 blocks) and Tori Mills (53 assists, 12 digs).

The last time a quintet of Mastodons recorded a double-double in the same match came on Nov. 13, 1998 at home against Quincy with Deanna Brown (10 kills, 11 digs), Katie Bruening (13 kills, 16 digs), Laura Douglas (18 kills, 21 digs), Star Trahin (15 kills, 14 digs) and Tami Isch (53 assist, 13 digs).

On record, Fort Wayne has had five players earn a double-double on five separate occasions:

Aug. 25, 2017 vs. Quinnipiac (Katie Crowe, Nicole Rightnowar, Liz Fuerst, Tori Mills and Sydney Boerst)

Nov. 13, 1998 vs. Quincy (Deanna Brown, Katie Bruening, Laura Douglas, Star Trahin and Tami Isch)

Nov. 16, 1996 vs. Northern Kentucky (Amy Luben, Andi Reichhart, Angie Robbins, Julie Parrot and Tiffany Martin)

Oct. 26, 1994 at Ashland (Amber Borne, Amy Luben, Dottie Porch, Heather Teagarden and Julie Parrot)

Oct. 6, 1987 at Hawaii Pacific (Carla Gerardot, Shari Hanna, Julie Hefty, Joni Smith and Judy Yagodinski)

SUMMIT LEAGUE PRESEASON POLL...

The Fort Wayne women's volleyball team has been picked to finish fourth in the 2017 Summit League preseason coaches poll. The Mastodons received 33 points, two back of Oral Roberts, as coaches were not allowed to vote for their own teams.

Denver was selected as the favorite to win the 2017 volleyball crown. The Pioneers collected five first-place votes and 47 total points in the poll. South Dakota was second with 45 points and the other three first place votes.

PLAYERS TO WATCH...

Fort Wayne player Nicole Rightnowar was selected by the Summit League coaches as a 'Players to Watch' for the 2017 season.

A junior outside hitter, Rightnowar was the 2015 Summit League Freshman of the Year, and earned All-League honors last year after finishing fourth in Summit League play with 225 total kills and fifth with 3.63 kills per set. The outside hitter was also fifth in points and points per set, eighth in total digs and 11th in digs per set. Overall for the year, Rightnowar finished with a team-best 396 kills and was second on the team with 329 digs.

Fort Wayne vs.

WHY MASTODONS?...

It all started about 10,000 years ago...

That's when mastodons roamed the southern Great Lakes region of North America. These stocky versions of modern elephants reached heights of about ten feet at the shoulder, with tusks that curved upward that were six feet or more in length. Mastodons were browsers who fed mostly on leaves and twigs from small trees and shrubs.

One such mastodon found its final resting place about two miles south of Angola, Indiana, on land that would eventually become part of Orsie Routsong's farm. In the fall of 1968, Routsong decided to expand a small pond on his property. An excavator was hired and instructed to pile the excavated material around the edge of the pond. Several days after the excavation was finished a heavy rain storm pounded the piles of dirt.

The next day, a young neighbor boy of Routsong's discovered a large bone in one of the dirt piles. Routsong knew it was something out of the ordinary, so he called Jack Sunderman, chair of the IPFW Geology Department, to identify the bone, and to ask for advice on what to do with it. Sunderman says his first question was, "How big is the bone," with Routsong's answer being "pretty big, maybe 3 or 4 feet long."

When Sunderman got to the farm, he identified the bone as a leg bone of a mastodon. He told Routsong a skeleton like this would have scientific and instructional value if a large portion of it could be located. Routsong agreed, and also agreed to have the IPFW Geology Department do the excavation. Sunderman got two more faculty members, Geoffrey Matthews and Bernd Erdtmann, and several geology students to help in the project.

After all the mastodon bones were collected, cleaned, and preserved, Routsong agreed to have the adult mastodon skeleton placed on permanent display at IPFW; the skull of a nearby baby mastodon is now on loan to Science Central.

In the spring of 1970, The Communicator (IPFW's student newspaper) began a drive to come up with a mascot for IPFW. Some of the suggested choices included the Boiler-Hoosiers, Warhawks, Marauders, Frontiersmen, Pioneers, Elfs, and Hobbits. Those names and others came from student suggestions. Steve Pettyjohn, who served as the student body president in 1968-69, wrote a letter to the editor about the school mascot. In his letter, Pettyjohn extolled the virtues of choosing the mastodon as IPFW's mascot: "It sounds different, strange - that's exactly why. It's different and yes, even strange. For God's Sakes, let's have the courage to be a little different."

In the meantime, former Indiana Congressman Mark Souder, who served as student body president in 1969-70, recalls being lobbied by the Geology Club to choose the mastodon.

According to Nusbaumer, "Souder appointed a committee in student government to select a name although he was lobbying hard for the mastodon." After some discussion on the subject, Souder says a vote was taken by the committee and the mastodon came out the winner. Souder finished his recollection with these thoughts: "History shows that the advocacy of the geology club was correct. The fast, decisive action of the elected student government—though it did not please everyone and was not a precedent that the University desired to see—has also been upheld by history as IPFW regularly scores high in any list of unique university nicknames; even in this era when everybody strives to be different. We did it decades ago."

WHAT IS A MASTODON?...[ACCORDING TO WIKIPEDIA]

Mastodons are any species of extinct proboscideans (mammals with tusks and long, muscular trunks) in the genus Mammot, distantly related to elephants, that inhabited North and Central America during the late Miocene or late Pliocene up to their extinction at the end of the Pleistocene 10,000 to 11,000 years ago. Mastodons lived in herds and were predominantly forest dwelling animals that fed on a mixed diet of browsing and grazing with a seasonal preference for browsing, in contrast to living elephants that are mostly grazing animals.

Modern reconstructions based on partial and skeletal remains reveal that mastodons were very similar in appearance to elephants and, to a lesser degree, mammoths, though not closely related to either one. Compared to mammoths, mastodons had shorter legs, a longer body and were more heavily muscled, a build similar to that of the current Asian elephants. The average body size of the species was around 2.3 m (7 ft 7 in) in height at the shoulders, corresponding to a large female or a small male, but large males could grow up to 2.8 m (9 ft 2 in) in height and weigh as much as 4.5 tonnes (5 short tons).
